Step into the world of Luxury & Elegance

Bengaluru, the bustling metropolis now offers a grand new address where luxury comes to you at an affordable price – Krishnaja Northcity, Devanahalli. The well-planned residential township brings you elegant 2 and 3 Bedroom homes surrounded by lush green corridors.

Krishnaja Northcity is ideally located at Devanahalli - the fast emerging business and IT hub. Major upcoming infrastructure projects like Devanahalli Business Park, Information Technology Investment Region (ITIR), Aerospace Park, Science Park, Financial City and SEZs are housed here. A home in this location means being at the heart of rapid future development. Krishnaja Northcity is also close to Bengaluru International Airport, reputed schools, colleges, banks, hospitals, shopping hubs, restaurants and star hotels.

Step into Krishnaja Northcity and you will be greeted by open spaces, beautiful landscaping and greenery. The well-designed twin tower complex has 164 homes built in Basement + Stilt + Ground + 10 floors, in a choice of 2 and 3 BHK apartments. It has an excellent neighbourhood too with beautifully designed villas coming up on the adjoining land.

Each home is thoughtfully designed as per Vaastu. Every unit allows maximum natural light and ventilation and at the same time offers breathtaking views. Standard fixtures and modern fittings along with 100 % standby power back up, rain water harvesting and STP, make your home complete.

The reputed name behind Krishnaja Northcity

Krishnaja Constructions is a name of repute, backed by over twenty years of experience in diverse real estate segments across Karnataka, Maharashtra, Tamil Nadu and Telangana. Known for transparency, on-time delivery, quality and excellent value, Krishnaja Constructions enjoys the trust of satisfied customers.

Krishnaja is a member of NAREDCO (National Real Estate Development Council – under the aegis of Ministry of Housing & Urban Poverty Alleviation, Govt of India) and IGBC (Indian Green Building Council). The company has been awarded ISO 9001-2008 certification.
